## Annual Meeting September 16-18, 2022 Omni Grove Park Inn - Asheville, NC

Friday, September 16, 2022

4:30 pm – 6:30 pm Meeting Registration – *Laurel Room Prefunction Area*

Saturday, September 17, 2022

6:30 am – 7:15 am Exhibits Setup - *Laurel Room Prefunction Area*

7:15 am – 8:00 am Registration - *Laurel Room Prefunction Area*

7:15 am – 12:00 pm Visit Exhibits - *Laurel Room Prefunction Area*

7:15 am – 8:00 am Continental Breakfast - *Laurel Room Prefunction Area*

8:00 am – 9:30 am Welcome - Gordon R. Hennigar Lecture – *Laurel Room*  
Endometrial Neoplasia: Diagnostic Challenges and Updates in  
Classification - *Brooke E. Howitt, MD, Associate Professor of Pathology;*  
*Stanford University School of Medicine; Faculty Director Stanford Cancer*  
*Institute Tissue Bank, Stanford, CA*

9:30 am - 10:00 am Coffee Break and Visit Exhibits - *Laurel Room Prefunction Area*

10:00 am - 11:30 am Gordon R. Hennigar Lecture - *Laurel Room*  
Endometrial Neoplasia: Diagnostic Challenges and Updates in  
Classification (Continued) - *Brooke E. Howitt, MD*

11:30 am – 12:00 pm The CAP: Your Professional and Advocacy Home - *Laurel Room*  
*Rebecca L. Johnson, MD, FCAP*  
*Governor, College of American Pathologists*

12:00 pm Adjourn

7:00 pm – 8:00pm Cocktails at Omni Grove Park Inn Country Club - Shuttle available

8:00 pm – 10:00 pm Dinner at Omni Grove Park Inn Country Club - Shuttle available

Sunday, September 18, 2022

8:30 am – 9:00 am	Continental Breakfast - <i>Laurel Room</i>
9:00 am – 11:30 am	Business Meeting of the Society - <i>Laurel Room</i>
11:30 am	Meeting Adjourns

### Learning Objectives

Listed below are the objectives that each attendee should be able to achieve at the end of this specific session.

#### Endometrial Neoplasia: Diagnostic Challenges and Updates in Classification

Recognize histologic and molecular features of mesonephric-like carcinoma, undifferentiated carcinoma, and neuroendocrine carcinomas of the endometrium. Understand the importance and limitations of TCGA molecular classification in endometrial carcinoma. Validate proper interpretation and diagnostic applications of Immunohistochemical and molecular biomarkers in endometrial carcinoma.

#### The CAP: Your Professional and Advocacy Home

Outline the latest changes in regulation and legislation affecting pathology and laboratory medicine. Outline the CAP's response to the COVID-19 pandemic to represent and support pathologists and their laboratories. Identify opportunities to engage in political programs led by the College of American Pathologists to influence health care policy.

### CME Credit

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the South Carolina Medical Association and the South Carolina Society of Pathologists. The South Carolina Medical Association is accredited by the ACCME to provide continuing medical education for physicians.

The South Carolina Medical Association designates this "live activity" for a maximum of 3.50 *AMA PRA Category 1 Credit(s)*<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

To be compliant with the AMA's "Physician's Recognition Award and Credit System,"<sup>1</sup> we require physicians to attest to the amount of time they are claiming credit which should be commensurate with the extent of time they participate in a CME activity. To assure compliance, we now require all physicians attending or participating in an accredited CME activity to complete the "contact information" portion of the evaluation, and sign where indicated on the evaluation.
